Judge names and experience/philosophies must be submitted on tabroom.com by Feb. 24. **You will submit a strike list by Thursday March 2nd @ 12:00 PM.**

Schools are responsible for recruiting qualified judges who are at least 2 years out of competition. First year out judges should not be entered in the pool by a school.

One coach/assistant coach from every school must be available for every round for the judging pool. All coaches in the pool must submit judging philosophies for the strike sheet information.

All coaches/assistant coaches, not involved in tournament administration, must be available to judge during the tournament. Coaches will be in the judging pool until they are released to leave by the judging table.

Failure to follow the judging guidelines will result in students being removed from the tournament. Coaches must be available during the tournament. You will be assigned rounds.

East Texas coaches/assistant coaches will not be paid. Judging is a requirement of your participation in the tournament.

Your registration will not be complete until you have submitted judging information for school coaches and required judges.
