

NSDA National Tournament

Utah-Wasatch District World School's Application

The Utah-Wasatch District will have 2 teams of 5 representing us at Nationals. These teams are made up of students from various schools from our district (Cache, Weber, Morgan, and Davis). Please fill out one application per student and email a copy to Shannon Chamberlain (District Chair) at schamberlain@dsdmail.net. The district committee will choose 10 students and 4 alternates to make up the teams. Alternates will not travel to the tournament unless someone vacates a spot and they move into it. It is the responsibility of each school to arrange transportation for their own World Schools Team members to travel to the National Tournament. Any student selected is under their school's transportation guidelines for practices. Practice accommodations will be made to those students unable to travel to practice. They will attend their practices through zoom. Each school needs to follow their district policies in obtaining parental consent for students to travel to Nationals in Phoenix. The World Schools coaches are not responsible for obtaining parental consent.
