

Carolina East District Congressional Debate Tournament

On Saturday, February 11th, the Carolina East District will be holding the first portion of the NSDA District Tournament. We will be hosting the Congressional Debate Qualifier in-person at North Raleigh Christian Academy.

This tournament determines who competes in Congressional Debate from our district at the NSDA National Tournament held in Phoenix, Arizona on June 11th through 16th, 2023.

Final registration will be held that morning. As registration finishes, we will begin competition immediately. All of your paperwork will need to be organized and signed. Please help us begin on time by having this done ahead of time. (Paperwork is discussed in detail later in the document)

Each school must complete a District Congress Tournament Registration Form. This form is automatically completed for you after you enter and complete your registration on Tabroom. This form must be fully completed, signed, and emailed to the District prior to the beginning of competition. Please email that document to carolinaeastdistrict@gmail.com.

In accordance with new rule changes, we will permit changes to registrations after the seven day deadline, but the registration must be received by the February 10th date to insure entry into the tournament.

All students and judges must be concurrently registered for the tournament on the Tabroom website as well. We must have both the electronic and hard copy version of your registration.

Please be sure to read the information on this website to ensure that you properly register.

Legislation

Schools should submit 2 bills or resolutions and 2 alternate bills and resolutions. The school should prioritize these selection by the District Committee. **Legislation is due in Tabroom by January 31st at 5PM.** Templates are available under the “Legislation” tab of your Tabroom Registration page. These files can be uploaded on that page to be submitted. Legislation must be formatted correctly. The District Committee reserves the right to prioritize new legislation over legislation used throughout the year in NC competitions.

Legislation will be released by the District Committee by February 4th at the latest.

Judge Ratios

Every school must supply judges in the following ratios:

- In Congress, 1 judge for every 4 entries (\$150 for missing judge quota)

Rules Concerning Judges

1. Judges must have graduated from high school. First-year out judges may be registered.
2. Judges must be aware of all NSDA rules regarding event procedures, scoring, and requirements of the event you have placed them in. If a judge is unfamiliar with the rules and regulations, or unfit to judge (as determined by the District Committee) your judge will be deleted from the tournament, and you will be charged for a missing judge fee (\$150).

Judge Bond

The 2023 NSDA District Tournament will not use a judge bond system. Schools will be assessed a \$50 fine for each round missed by a judge.

Fees & Limits

Please pay all outstanding NSDA fees prior to February 11th. You must pay the remaining balance at registration in order to be allowed to compete. You will not be able to compete without paying.

Please bring a check for entries in the following ratios:

- In Congress, \$30.00 per student

This must be paid for all students at this tournament; if your student is competing at the Speech/PF/LD portion of the NSDA District Tournament in March, there will not be an additional registration fee for that student.

How To Register on Tabroom.com

The following instructions are how to register on www.tabroom.com.

1. Logon in the top right-hand corner of the screen.
2. Search “Carolina East” in the top right-hand corner of the screen. After you do this the first time, the tournament will always appear in your login screen unless you drop completely from the tournament.
3. Click “Register” on the tabs of the tournament. You’ll have to certify that the information you provide is accurate, and then make sure that you update your NSDA roster (this is pretty intuitive). **I would advise that you put in your points prior to this step so that you don’t have to go back and do it. Remember, the number of entries you get is dependent on the number of degrees your program has.**
4. Under “Entries” you will find a drop-down menu on the right hand side. You can select House or Senate. Once you select an event, you will have a list of your students who are eligible for the tournament. Select their name and click “Add Entry.” You may continue to add until all of your slots are filled.
5. Your “Greensheets” (printed registration forms) are under “NSDA Forms” as well as your Single Entry Letter of Intent. You’ll find that you can rank Congress and Worlds currently. However, you will be able to resubmit for any student that is also competing in the March portion of the District tournament.
6. Under “Judges” you will enter the name of the required number of judges. You must add them to the Tabroom system if you haven’t already. On the right-hand side, you’ll find “Add Judge.”
7. If you have any questions or concerns, please contact Crawford Leavoy.
