4 safety and security as a result of falling debris; and
- 5 **WHEREAS** These excessive retaliations are unnecessarily unnerving U.S. citizens and, most dangerously
6 of all, heightening tensions with the People’s Republic of China; now, therefore be it
- 7 **RESOLVED** by the Congress here assembled that this body roundly condemns these recent actions of
8 the Department of Defense, namely the destruction of multiple balloons starting on

4 respects safer than these more socially acceptable drugs; and
- 5 **WHEREAS** Nearly half of all U.S. citizens now live in states where it is legal to purchase and consume
6 cannabis recreationally, and it is likely just a matter of time before recreational cannabis
7 use is legal nationwide; now, therefore be it
- 8 **RESOLVED** by the Congress here assembled that this body encourages responsible users of cannabis
9 who consume the drug in jurisdictions where doing so is legal, especially when those users
10 are government employees or officeholders such as members of the Congress, to speak
11 openly and tactfully about their use in much the same way as responsible users of alcohol
12 and nicotine do in the status quo.
