

SC District Tournament Registration

March 17 & 18, 2023

February, 2023

Dear South Carolina Coaches,

It's time to start thinking about the District National Qualifier Tournament. District Committee members and I are looking forward to hosting your team at this combined Carolina West and South Carolina district tournament to be held in person at TC Roberson HS in Asheville, NC. NC and SC students will NOT compete against each other but the two districts will share facilities and judges in order to have a large pool for this important tournament. By the way, the National tournament will also be in person in June in Arizona.

As in previous years, the District Qualifier Congress will be held apart from the other events. The District Congress event took place January 21 as a virtual tournament.

Enclosed you will find directions for the online registration forms and pertinent information. **Please pay close attention to deadlines as many of the due dates are absolute. We want all of our SC NSDA schools to participate!!** This year we want to qualify many more students if we fill our events. Please help with your participation!

Questions: If you have questions, please email or call

Important Reminder: *You are responsible for reading – prior to the District tournament – the entire 2022*

NSDA High School Unified Manual at

<https://www.speechanddebate.org/wp-content/uploads/High-School-Unified-Manual-2022-2023Oct13.pdf>

The 2022-2023 (dated October 13, 2022) manual contains new and updated materials concerning the tournament and the events.

Please make sure your judges read the event descriptions also found **in the High School Unified Manual.**

Our district qualifier tournament for all events (except Congress) will be held March 17-18 at TC Roberson HS in Asheville, NC. Registration for that tournament will be at <http://southcarolina.tabroom.com>. For all non-congress events, we will be using the new version of the NSDA Unified Manual, with the link on the page above.

We are pleased to announce that SC is a Level 2 district which means we will qualify two contestants in all events which have at least 4 entries from at least 2 schools.

All judges must be registered in Tabroom.com and must plan to use the online ballots in Tabroom. Make plans to have laptops/devices for all rounds judged.

Due March 10 — Registration at <http://southcarolina.tabroom.com> — for students and judges. Initial registration needs to be done by this date (7 days in advance of the tournament). **You will have until Wednesday, March 15 at 8:00 pm to make changes** without charges. After that time, any changes must be emailed to Gail Nicholas. Please read the rules about substitutions and drops.

No changes except drops may be made within a 48 hour window of the tournament.

We look forward to seeing all of our SC schools at the District

Tournament!

More District tournament information:

Proof of membership: Due to the nature of school entry limits, we ask that you update your students' NSDA points through the NSDA's Point Application at least 10 days prior to the tournament. Students must have a minimum of 25 NSDA points on record, as well as be registered individually through the NSDA website to be eligible to compete at the District Tournament. Tabroom.com will have a list of your eligible students.

Number of entries: No team is allowed to enter more than **four** in any one category except congress. Total number of entries for each school is determined by the number of degrees the school has on record seven days prior to the tournament. To determine the number of entries your school may bring, refer to the **chart on page 67** of the District Tournament Operations Manual. The NSDA rules count duo teams, PFD teams, and policy teams as ONE entry.

1. Each school is permitted up to **four entries** in each event as long as the entries do not take you over your allotment quotas.
 2. Our district will qualify at least two students to Nationals in all events since we are the Level 2 status (page 66) with school membership.
 3. **Each interp contestant must submit the Bibliography form for all pieces done in the performance.** This is done directly into Tabroom.com and does not require a printout. Hard copies of the original sources (as well as a marked copy with highlighted lines) should also be available at registration as well as throughout the entire tournament. Any challenges will require that the original sources be shown.
 4. Each interp contestant/coach must have the **Script Verification Cover Sheet** filled out and submitted in your Tabroom.com registration.
- D. **All Informative and Oratory contestants must have available throughout the entire tournament their written speech** with bibliography.

There must be 2 schools entered in all speech and debate events in order for the event to be valid.

Double Entries: Read page 69 of the Tournament Manual. The District committee has voted to use the rules found under "Double Entry" districts. Remember that no doubling is allowed at Nationals. Each double entered student must complete a single entry letter of intent signed by all required parties BEFORE the tournament begins. This form is located in the southcarolina.tabroom.com registration site. Congress participants will be allowed to take part in the District tournament as well as the Congress tournament. All students who participate at the District Congress, must fill out the single entry intent form if competing at the District tournament.

In addition to the doubling information found in the NFL manual, the district committee has agreed on the following rules:

1. Contestants may double between the 2 Extemp (IX/DX).
2. Contestants may double between one debate event and one Extemp.
3. Students may NOT double in LD and PFD.

Student Codes: Your students' codes will **eventually show up in the Tabroom.com registration of your school.**

Drops and Substitutions: Email (nickfam@charter.net) or by overnight mail. **No changes will be accepted by telephone.** If you have questions about the process, please feel free to call (864) 270-8556 which is Gail's cell and voice mail. **No changes except drops may be made within a 48 hour window of the tournament.** If you need to make last minute drops on the day of the tournament, you can reach Gail Nicholas at BJA on her **cell phone at 864-270-8556. Texting is another way to reach Gail.**

Awards:

Students making the final round in each event will earn South Carolina Awards.

The 2 qualifying students in each event will also earn NSDA Awards.

The NSDA also provides Sweepstakes awards.

Observers: In order to make the tournament as fair as possible for all competitors, everyone is asked to follow these policies about observing:

1. No competitors or judges may observe debate rounds until the FINAL round.
2. No competitors may observe speech rounds until they are out of the competition (in other words, until semis and finals).
3. Judges may not observe until they are dismissed from the pool. All judges are obligated through finals if needed.

2. **Single Entry Intent Forms** completed (by all students double entered and by all students who participated in the District Congress tournament). This is located in Tabroom.com.

3. You will be asked to sign a **Judges' registration form** acknowledging commitment through final rounds. (Remember- **you must provide sufficient qualified judges**)

4. **Proof of payment of all fees** (PLEASE!!! This is important.)

a. **Payment of NSDA dues** still owed (make separate check to the NSDA)

b. 2023 will require a \$200 Judge Bond check, AND if your judges cannot be found to judge assigned rounds, the bond will not be returned to your school. A separate judge bond check must be presented at final registration March 17.

c. Home and cell telephone numbers – contact numbers for the tournament days.

d. Email address

Fees:

Make all checks payable to the South Carolina National Forensic League (SC NFL).

Fees for the District Tournament will be **\$20 per entry**.

Remember that a CX team or a PFD team or a Duo team counts as two entries for fees - \$40.

You must pay for each person who is on your registration as of 5 pm March 15. Plans for the tournament are made based on original registrations. There will be no charge for substitutions; however, substitutions may only come from your NSDA membership.

\$20 for each individual student entry (speech and debate)

\$200 for each judge dropped (and not replaced) after registration is received.

\$35 School fee (all schools)

\$200 Judge Bond for Friday/Saturday of the tournament. We will make every effort to find your judge or allow you to offer a replacement before this fee is charged.

PLEASE NOTE: For liability reasons, each school must have an adult present at the tournament site for the duration of the tournament. We cannot accept independent entries per NSDA rules. ONLY the faculty coach of record can register the team online and fill out the hard copy paperwork. Please adhere to this very important rule.

Judges: In order to ensure the best competitive environment for our students, we ask that you provide quality judges for the tournament. At this point we plan to use the method whereby two judges are used beginning with Round 1. The judging requirements are as follows:

- One judge for EACH LD Debater
- One judge for EACH PFD and/or CX/Policy Team
- One judge for every 4 Speech entries or fraction thereof.
- **Failure to provide judges will require teams to cut their entries or pay \$200 per missing judge.**
- Each school will be allowed 2 judge strikes from our district which must be completed before the end of registration. Strikes will be honored as long as the judge pool is full and overflowing. Because of the strike policy, it is very important that your judges are registered BEFORE final registration opens.

There are no judges for hire. A judge obligation is for 2 days for this tournament. (Friday only is considered half a judge and requires another half judge for all day Saturday and vice versa).

Since the District tournament is SC and Carolina West this year, we ask that you bring all required judges including some UNAFFILIATED judges in order to fill the pool. Please work hard to find such judges.

The local pro bono pool is used to fill out rounds where school conflicts create impossible situations for us. Please start working on judging commitments soon.

REMEMBER, ALL OF YOUR JUDGES ARE REQUIRED TO BE ON TIME TO ROUND I and ARE COMMITTED THROUGH FINAL ROUNDS. Coaches must sign the judges' entry form acknowledging that their (Saturday) judges are committed through Finals. Each year we have teams/judges who want to leave because their students are eliminated. This creates an impossible situation for those students remaining in the competition since judges from their schools cannot be used in a round where the school is represented. A judge's failure to report for a round will result in the loss of that school's judge bond. Judges will be asked to stay in the judges lounge during rounds when not judging. The ability to find them quickly will be facilitated. Judges are asked NOT to observe rounds in which they are free since they may judge that particular event in a later round.

Remind your judges of their requirement to judge online. This requires a proper device. We suggest cell phones not be used for judging.

A final note about judges: Of all the tournaments in the course of the year, the district qualifier tournament is the most important to our students in that it offers them a chance to go to Nationals. We MUST provide QUALITY judges for them. Please DO NOT bring INEXPERIENCED JUDGES! Please advise your judges on proper decorum. It is unethical for a judge to come out of a round and coach his students about the competition he/she has just seen. Please caution them about innocent remarks. All judges are expected to be on time to their rounds and to stay through the end of the tournament. They MUST be available for ROUND I; we cannot start without judges. **College Judges:** Freshmen and Sophomores will not be used in final round panels. They will also not be allowed to judge events in which they competed while in high school (this will be as best we can control this). When registering college judges, please write their HS event in the notes section as well as their year in college.

All judges should read pages 96-97 in the NSDA Manual.

Manual Page 75 – Committee Determined tabulation rules:

IE Tournament plan: Speech events will follow the NSDA rules

beginning on page 87 of the NSDA Manual. It is the desire of the committee to run 4 prelim rounds and finals in all events. Entry numbers will determine this. It is also the desire of the committee to have more than one judge in each section. This will required schools meeting their burdens and helping with extra judges. The numbers will be announced prior to the first round and will be used consistently in all events throughout the competition. The number clearing in each event will also be announced once event numbers are known.

Debaters: Read pages 76 and following for the of the NSDA manual for debate pairing options. The SC Committee has agreed to use the Option 2 SINGLE EIMINATION format for both LD and PFD. FULL speaker points will be used. Alternate Placement will be determined using Option 1 Prelim Round Seeding (pages 80). It is the desire of the committee to have more than one judge per round. This will be determined BEFORE round 1 begins and will remain consistent for all debate rounds throughout the tournament.

AUDIT Process – page 93 NSDA manual

The SC District will audit as required by the NSDA in the following manner:

The District Committee will publicize the results and written feedback to coach representatives after each round. This allows coaches to verify that the sides were appropriately assigned in debate on the online ballot and notice major discrepancies between the reasons for decisions and the results.

Equitable Tournament Practices – pages 94-95

Please read these pages in the manual concerning equity at the district tournament.

Protests must follow the procedure on page 94.

World Schools Debate Team for Nationals

PAGE 98-99 in District tournament manual

South Carolina WORLD DEBATE TEAM: The South Carolina NSDA

District will select TEN District tournament competitors to compete as **2 teams** in the "World Debate" category at NSDA Nationals this year. To be eligible, coaches must express an interest on behalf of their students by registering them with Gail at the Friday registration. Those students must enter at least one main event at the South Carolina tournament (including the Congress event held Jan 21) to be eligible for consideration. There will be no World Debate competition at Districts. Instead, the district committee will choose the 10 South Carolina team members for nationals from the list of students who were registered by their coach at the final registration but did not qualify in a main event at the district tournament or decided to forgo their qualification for WSD. The committee will attempt to choose a team that represents a diverse group of schools in the district while also attempting to choose those students who will be most competitive at nationals. Students chosen must be committed and available to prepare and practice as a team. Students expressing an interest in being on the South Carolina World Schools Debate team might be asked to fill out an application or participate in a selection committee interview. **The committee will only consider students who are registered for consideration. If a student competed in the Congress and will not compete in the March 17-18 district event, the coach should email Gail Nicholas with the student name to add to the list to be considered for the team.**

NEW IN 2015-2016: Students do not have to be a non-qualifying entry from districts to be selected to compete for the district World Schools Debate team. Students who attend the district tournament and qualify in a main event for the 2018 National Tournament may forgo their qualification and participate in the 2019 USA World Schools Debate Invitational, if they are selected for the team by their district and have preferred it on the Single Letter of Intent prior to the District Tournament Series.

Please make sure that your students expressing interest in WSD are committed to the team if chosen!

Please note that we will need adults to serve as judges at the national tournament. If you are interested in this position, please contact Gail Nicholas.
