

Reba coached G.W. Carver's Speech & Debate team for many years until her retirement.

It is with great honor and pleasure that we dedicate this tournament to her.

Reba spent her life pursuing two careers: education and theater. After teaching in high, she became a member of the founding faculty of Lone Star College Kingwood. She taught English, served as an Assoc. Dean of Humanities and Arts, started the campus's performing arts program. She also worked as a freelance costumer and stage director at professional and university theaters in Houston, Arkansas, Alabama, and Georgia. Reba frequently referred to herself as the woman with the clipboard. In 1996, Reba co-founded Opera in the Heights. She co-produced her partner's Award Nominated Blues album titled 24 Hour Blues.

Returning to the high school students she so enjoyed, Reba finished her teaching career in Aldine ISD at George Washington Carver Magnet High School, retiring in 2016. After retiring, she visited grandchildren, costumed opera for Georgia State University in Atlanta and theaters in Houston, gardened, volunteered at Northwest Assistance Ministry, traveled, and was active in St. Mary's Episcopal Church in Cypress.

Registration Link
