Excellent use of volume and speed at the start 'us human beings' try 'we human beings'

Speaks way too quickly. It's hard to follow your speech when you go that fast

- Excellent use of bubbles. Very good utilization of your volume and 'acting' throughout your speech. Has main points but I couldn't hear a roadmap because of the speed
- uses filler words/phrases like 'so' 'yeah' 'whatever' and uses transition words as fillers. Fidgets.

- go slower. you trip over your own words. Find a way to shorten your speech with keeping the importance.

Tie the topic into the speech better
