Date: 2/1/2023

SPEECH #1 **POINTS** 2
 Bill #10 - negative
 Oh my - slow down - some good info but difficult to follow because of speeding through it.

SPEECH #2 **POINTS** 3
 Bill #11 - affirmative - same as last speech - good info but too quickly presented but better than your first.

SPEECH #3 **POINTS** 2
 Bill #12 - negative - I'm not sure how quickly you speak during normal conversations but you really need to speak more slowly when presenting a speech

SPEECH #4 **POINTS** 2
 Questions on #15 ✓
 Bill #15 - negative - a better presentation than your previous ones - but speed still an issue

SPEECH #5 **POINTS** 2
 Sponsorship of #15 - good info but you are right back to a speed that keeps us from understanding some of what you are saying.
