The University of Chicago Laboratory Schools

Welcome to the Historic Campus at The UC Laboratory Schools. We are thrilled you are here!

PARKING: UChicago is on spring break so we expect ample parking. Free school bus parking is available on 59th St. between Dorchester Ave and Kimbark Ave. Free parking is also available along the Midway Plaisance as well as in the surrounding neighborhood. **Do not park** in the parking spaces on Kimbark Ave from 58th St. to 59th St. as they require a permit and the University will issue parking violations for unauthorized parking in those spots. Please note that S. Kimbark Ave. is a one-way street from north (58th St.) to south (59th St.).

CAMPUS LAYOUT: There are 5 connected buildings: Judd Hall to the west, UHigh & the middle school to the east, Belfield West to the northwest, Gordon Parks Arts Hall to the north, and Blaine Hall to the south. Debates will only be in UHigh, Judd, and the Gordon Parks theaters. All attendees may only be in spaces that have been designated for the express purpose of the event. As teams are eliminated, there will be fewer spaces where participants are permitted.

ENTRANCE: Enter only through the Judd Hall doors, located at 5835 S Kimbark Ave., on the west side of the building.

STUDENT LOUNGE: Debaters and coaches should gather in the Dining Hall C021 for morning pre-round announcements, pizza lunches, and gathering in between rounds. The Dining Hall is accessed by going downstairs from UHigh, Judd, or the courtyard.

JUDGES' LOUNGE: is in Judd C116, near the Judd Hall entrance. It's also accessible through the courtyard.
