

Bill #251: A Bill to Regulate PFAS in Water

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- 1 **SECTION 1.** A bill to end the production of water-polluting PFAS by 2025.
- 2 **SECTION 2.** Definitions:
- 3 PFAS is defined as Per- and Polyfluorinated Substances.
- 4 EPA is defined as Environmental Protection Agency
- 5 **SECTION 3.** The EPA will oversee corporations' plans to eliminate PFAS, and work
- 6 accordingly to help the process.
- 7 A. Any corporation which does not pass a yearly examination for PFAS
- 8 production decrease by the EPA will be hit with a fine of 10% of
- 9 revenue made from products produced with PFAS in the previous fiscal
- 10 year.
- 11 B. Any corporation which does not eliminate their production of PFAS by
- 12 January 1, 2025, will continue to be annually hit with a fine of 10% each
- 13 year, increasing by 5% from the previous year.
- 14 C. Any employee who is laid off from a job in which the company
- 15 produces PFAS will be entitled to severance based on their earnings
- 16 from the previous year by their employer for one year after the lay-off.
- 17 This severance will end once the employee finds a new job or when the
- 18 1-year period concludes.
- 19 D. Bill #251 does not apply to necessary medical equipment and
- protective clothing.
- SECTION 4.** This legislation will take effect immediately after passage. All laws in
- conflict with this legislation are hereby declared null and void.

Respectfully submitted,
