

## Arrival/Drop-off on Friday

- Please do not arrive before 1:30! (Did you get that?)
- Buses should enter Lake City from Hanley Avenue - pulling as far forward in the drop-off lane as possible. Teams should enter through the North Entrance (not the main entrance - it will be cramped!). There will be student volunteers there to shepherd you to the gym!
- Buses: please unload safely and quickly, then leave the bus loop, turning South (right) onto Ramsey. Go to the LEFT lane as soon as possible, to turn into the Lake City Church parking lot. We have permission to park here between 1:30 and 3:00 while our parking lots empty.
- Personal cars and vans can park where available in the North or South parking lots. Please avoid dropping off in the loop as you are most likely smaller than the buses...
- Please remind your competitors that classes are still in session Friday until 2:30, so avoid practicing your DJ's while walking to down the halls.

## Saturday Parking

- Buses please enter from Hanley and park in the North Parking lot.
- Personal cars may park in the North or South parking lots.
