

## Wildcat Winter Whirlwind Coaches Performance Contest

Welcome to the Wildcat Winter Whirlwind Coaches Performance Contest! We invite all coaches attending the tournament to showcase their talents in our fun and spirited coaches' performance event. This contest will take place one hour before the awards ceremony, offering coaches a chance to shine and demonstrate their skills outside the realm of coaching. Here are the directions for participating in the event:

- 1. Registration:** Coaches interested in participating should register for the Coaches Performance Contest at or before the tournament by contacting our emcee, Andrea Lewis, at [andrea.lewis@pisd.edu](mailto:andrea.lewis@pisd.edu). Please sign up in advance to secure your spot in the contest.
- 2. Performance Categories:** Participants can choose from a variety of performance categories, such as singing, dancing, stand-up comedy, magic tricks, poetry recitation, or any other entertaining skills they would like to showcase. Creativity is encouraged!
- 3. Time Limit:** Each performance will be limited to a maximum of 5 minutes. Please plan your act accordingly to fit within the time frame.
- 4. Judging:** Each school will receive a voting ticket at tournament registration on Friday. After the performances are done, each school gets to vote for their favorite performer!
- 5. Audience Participation:** The audience plays a vital role in the Coaches Performance Contest! Cheer on your favorite performances, applaud the talents showcased, and show your appreciation for the coaches' efforts.
- 6. Awards:** Prizes will be awarded to the top performers in various categories, as determined by the voting results. Winners will be announced during the awards ceremony, and they will receive recognition for their exceptional performances.
- 7. Have Fun:** Most importantly, have fun and enjoy the opportunity to showcase your talents! This event is meant to be lighthearted and entertaining, providing coaches with a chance to relax and share their passions with the forensics community.

We look forward to seeing the incredible talents of our coaches at the Coaches Performance Contest! Let the creativity flow, and may the best performances win!
