

RED ROCK CLASSIC 2023: ARRAKIS SPICE EDITION

Your road leads into the desert! On November 3-4th at Grand County High School in Moab, join us for our annual two-day tournament.

This year, our theme is inspired by the desert. The late autumnal temperatures & earlier dates give your team a special opportunity to experience our wilderness, one of the best places on this planet. The much-anticipated second half of *DUNE* is delayed. We'll miss our traditional movie tie-in this year, but we hope your team instead takes time to see the canyonland country here. There's plenty to do that is non-strenuous, doable within an hour, and perfectly safe. Take advantage of the chance! People the world over are jealous!

This year, our tournament will use paper ballots! But visit Tabroom for registration & more information about our event offerings. Students may enter in both Debate and Speech events.

We're excited to host your team!

* COSTUMES! *

From classic action movies such as Indiana Jones, Mad Max, and *The Mummy*, to the wild & wide genre of Westerns, to space themes like *The Martian*, to the science fiction of *DUNE*, *The Planet of The Apes*, and *Star Wars*...as is tradition, we welcome costumes! Besides, it won't be too long after Halloween! **Please respect school dress codes. Costumes or props suggestive of gun violence are strictly prohibited, as are masks.**
