A Bill to Deprivatize Social Media

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED:

2 **SECTION 1.** Congress shall exercise its rights of eminent domain to appropriate all social media
3 corporations with more than 50 million monthly active users within the United States, as
4 determined by the Federal Communications Commission (FCC). Upon acquisition,
5 Congress shall provide just compensation to these corporations' owners, with fair market
6 value being determined by the Department of the Treasury.

7 **SECTION 2.** Congress shall work with the FCC and the Department of Justice's Civil Rights Division to
8 consolidate all acquired corporations into a single nationalized social media platform that
9 provides an open online forum in which residents and citizens of the U.S. may exercise
10 their First Amendment rights without violating one another's constitutionally protected
11 civil rights. No fees shall be charged, but the platform and all funding for acquisitions
12 shall be sourced from corresponding decreases in the Department of Defense budget as
13 necessary.

14 **SECTION 3.** The 42 USC § 1862w(a)(2) definition of a social media platform shall be utilized: "a
15 website or internet medium that—(A) permits a person to become a registered user,
16 establish an account, or create a profile for the purpose of allowing users to create,
17 share, and view user-generated content through such an account or profile; (B) enables 1
18 or more users to generate content that can be viewed by other users of the medium; and
19 (C) primarily serves as a medium for users to interact with content generated by other
20 users of the medium."

21 **SECTION 4.** This legislation shall be overseen by the FCC.

22 **SECTION 5.** This legislation shall take effect on July 1, 2025.

23 **SECTION 6.** All laws in conflict with this legislation are hereby declared null and void.

A Resolution to Limit Lethal Autonomous Weapons

- 1 **WHEREAS,** We are living in an era of great technological advancement bringing great
2 tools as well ethical questions, particularly in the realm of Lethal
3 Autonomous Weapon Systems (LAWS), also known as “killer robots”; and
4 **WHEREAS,** Lethal autonomous weapon systems (LAWS) are a special class of weapon
5 systems that use sensor suites and computer algorithms to
6 independently identify a target and employ an onboard weapon system
7 to engage and destroy the target without manual human control of the
8 system; and
9 **WHEREAS,** These systems are flawed and require regulations, to which there are no
10 international guidelines set; and
11 **WHEREAS,** The United Nations has stated since 2018 that they stand firmly against
12 the usage of LAWS, claiming that they are “politically unacceptable and
13 morally repugnant”; and
14 **WHEREAS,** 30 countries are calling for a ban on lethal autonomous weapon systems;
15 and
16 **WHEREAS,** The UN has yet to see any tangible efforts to restrict them; now,
17 therefore, be it
18 **RESOLVED,** By the Congress here assembled that the usage of LAWS be strictly
19 prohibited until further research is done on the ability of these weapons
20 to be used morally and humanely.

A Resolution to Increase Investment in Hydroponics

- 1 **WHEREAS,** Water is a necessity to our survival; and
- 2 **WHEREAS,** the nation is facing serious water problems including long-term drought
- 3 conditions, critical ground water declines occurring in agricultural
- 4 production areas, and saltwater intrusion into groundwater supplies; and
- 5 **WHEREAS,** the infrastructure of our agricultural systems has allowed rampant waste
- 6 of water, ineffective crop production, pollution of freshwater supplies,
- 7 and soil erosion; and
- 8 **WHEREAS,** farming accounts for a majority of the world's water consumption; and
- 9 **WHEREAS,** there is a lack of research and investment in alternative growing
- 10 methods; and
- 11 **WHEREAS,** Hydroponics eliminates the requirement or need of pesticide use, in turn
- 12 making our air, water, soil, and food cleaner; and
- 13 **WHEREAS,** Food from hydroponics can be grown anywhere and in all seasons; and
- 14 **WHEREAS,** Hydroponic systems use 10 times less water than field crops; now,
- 15 therefore, be it
- 16 **RESOLVED,** By the Congress here assembled that agriculture-focused enterprises are
- 17 called upon to establish affordable, sustainable and accessible
- 18 hydroponic-based food production, in coordination with local
- 19 municipalities.

11 **SECTION 5.** This legislation shall take effect on July 1, 2025.

12 **SECTION 6.** All laws in conflict with this legislation are hereby declared null and void.

A Resolution to Encourage the Negotiation of a Coastline for Ethiopia

- 1 **WHEREAS** The Federal Democratic Republic of Ethiopia is by far the world's most populous
2 landlocked nation; and
- 3 **WHEREAS** The lack of a coastline is increasingly creating unsustainable challenges for this budding
4 global power; and
- 5 **WHEREAS** The situation as it currently stands presents a major risk of war in the Horn of Africa,
6 which would not only have devastating humanitarian consequences for the people of
7 that region but would also create enormous economic hardship across the globe; now,
8 therefore be it
- 9 **RESOLVED** by the Congress here assembled that the United Nations is called upon to begin an
10 immediate and concerted effort to negotiate on behalf of Ethiopia a lawful and mutually
11 beneficial annexation of the territory of one or more of its neighboring nations that
12 separate it from access to the ocean—those nations being the Republic of Kenya, the
13 Federal Republic of Somalia, the Republic of Djibouti, the State of Eritrea, and the
14 Republic of the Sudan—to establish a corridor, however narrow, that allows Ethiopia to
15 set up and utilize a functional seaport; and be it
- 16 **FURTHER RESOLVED** that Congress commits to considering how it may leverage its powers on behalf
17 of the United States to contribute funds and other resources to the affected nations that
18 might lead them to accept a favorable deal enabling this territorial transfer.
