

A Resolution to Protect Syrian Democracy from the Israel Defense Forces (IDF)

WHEREAS, The previous Syrian Assad regime has been toppled and replaced with a fragile democracy; and

WHEREAS, The Israel Defense Forces (IDF) has launched a covert invasion of Syrian lands; and

WHEREAS, The new Syrian regime lacks the stability necessary to defend itself, perpetuating a never ending cycle of democratic fragility in this already destabilized region; and

WHEREAS, The US currently supports the state of Israel both militarily and monetarily; now, therefore, be it

RESOLVED, That the Congress here assembled denounce the invasion of Syria by the IDF; and, be it

FURTHER RESOLVED, That if the invasion does not halt within the next month, the US will withdraw military funding to Israel outlined in previous spending bills.

CREATING EQUITABLE HEALTH INSURANCE ACT

BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED THAT: **SECTION 1.** a)

Health insurance companies shall no longer be able charge over \$350 for an ambulance

ride to a hospital, no matter the distance of the ride.

b) Health Insurance companies shall be required to clearly define what an experimental procedure that is not covered is in their policy. Health insurance companies shall be required to cover any experimental medical procedures deemed by medical staff as the only, best, and most effective way to treat a patient.

c) In order to offset this cost, health insurance companies able to prove they are experiencing a net loss on this legislation shall receive a tax rebate in the amount of the loss in order to prevent increasing the premium of those covered. Evaluations of the health insurance companies' claims shall be done by a bipartisan, independent panel of 30 employees within the Department of Health and Human Services. Selection of the panel shall be done by reviewing the application and the individual's qualifications. Health insurance companies who qualify or do not qualify for the tax rebate shall not be allowed to increase their premiums in response to this legislation. Monitoring of any increase in insurance premium shall be done by the same panel. Companies found in violation of this ban shall be fined in excess of \$200,000 per individual who's premium was increased due to this legislation.

d) Funding for this legislation shall be provided by a 1% increase in the tax rate of the top tax bracket.

SECTION 2. a) The amount the insurance company charges is the point where coverage begins. b)

Experimental medical procedures that are not covered in a policy shall be defined as any type of procedure that has not proven to be effective in any research in any capacity. Medical staff shall be defined as any licensed and practicing physician. Experimental medical procedures covered by insurance shall be defined as any medical procedure that

has been seen to be effective in some capacity in human subjects, and has been fully approved by the FDA for human testing.

c) A net loss shall be defined as losing money on the patient being covered. A premium is defined as the monthly cost of health insurance.

d) The top tax bracket is defined as single taxpayers with incomes greater than \$609,350 or \$731,200 for married couples filing jointly. The current tax rate for this bracket is 37%.

SECTION 3. The Internal Revenue Service and the Department of Health and Human Services shall oversee the enforcement of this legislation.

Standard Time Act of 2026

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. The Standard Time Act of 1918 shall be amended. This amendment shall 2

standardize time across the nation, prevent the loss of productivity

following clock shifts, and negate any internal and external safety risks 4

that may arise due to the deviation from the body's natural circadian

rhythm.

SECTION 2. The following changes shall be implemented:

A. The act of adjusting the standard time forward an hour during the

Springtime ("daylight savings time") is to end in its entirety.

B. Following the implementation of the bill, standard time will

remain permanent.

C. For further clarification, standard time will be defined as:

Eastern Standard Time – GMT-5

Central Standard Time – GMT-6

Mountain Standard Time – GMT-7

Pacific Standard Time – GMT-8

Alaska Standard Time – GMT-9

Hawaii-Aleutian Standard Time – GMT-10

SECTION 3. All state-level jurisdictions will be given a two-year time period (January 19

1st 2026 – January 1st 2028) to adopt the new system. By 2028, the

entirety of the nation should follow the new standardized time system. 21

SECTION 4. This legislation will be effective on January 1st, 2026.

A Resolution to Stand Against the Future Adoption of California's Electric Vehicle Mandates in Virginia

- 1 **WHEREAS,** as of January 1, 2025, Virginia no longer adheres to the State of California's
2 "Advanced Clean Cars" regulations due to the decisions of Governor Glen
3 Youngkin and confirmation from Attorney General Jason Miyares, and
4 **WHEREAS,** without this change, the State of Virginia would have been compelled to
5 comply with California's "Advanced Clean Cars II" regulations, which gradually
6 increases the percentage of vehicles sold each year that must be electric to
7 100% in 2035, and
8 **WHEREAS,** compliance with these regulations would result in civil penalties for vehicle
9 manufacturers of over \$20,000 for each vehicle sold that violates the
10 regulations, and
11 **WHEREAS,** this penalty would be detrimental to the automotive industry in Virginia,
12 forcing consumers, vehicle manufacturers, and vehicle manufacturer
13 employees to be burdened with the costs of these civil penalties,
14 **WHEREAS,** the goals set in these regulations are unattainable and costly, especially
15 considering that only 9% of the vehicles sold in Virginia in 2023 were electric
16 vehicles, and
17 **WHEREAS,** these regulations are specific to California, and thus applying them in Virginia
18 could have unintended consequences, therefore, be it
19 **RESOLVED,** that the congress here assembled stand against any future legislative
20 propositions that involve the adoption of California's electric vehicle
21 mandates in Virginia.
