**The special bill has no authorship.*

A Bill to Institute Education Systems into Prisons

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** Federal prisons shall be required to provide a system of year-round
3 education for inmates.

4 **SECTION 2.** Definitions

5 **A.** Education: Includes but is not limited to secondary and post-secondary
6 education.

7 **B.** Prisons: Federally funded, brick and mortar, legal confinement centers
8 both short-term and long-term. Does not include house arrest or short-
9 term police custody.

10 **SECTION 3.** Both the Department of Justice and the Department of Education will
11 oversee this law and enforce adherence to this law. 10-15% of each of
12 the departments' budget will go towards funding educational resources
13 such as computers, desks, classrooms, textbooks, and other essential
14 classroom materials. It will also go towards the salary of secondary and
15 postsecondary teachers in these classrooms. Teachers will be hired from |
16 a list of applicants who have at least 5 years of experience in teaching
17 secondary or postsecondary students. A test, also funded by the
18 Department of Education, will be administered to interested inmates to
19 determine their level of education, their placement level, and the pace at
20 which they should learn. The Department of Justice- specifically the
21 Federal Bureau of Prisons- and the Department of Education will decide
22 how the classrooms should be ran and what the curriculum should be.

23 **SECTION 4.** Classrooms will be set up, teachers will be hired, and supplies will be
24 purchased within an 8-month period, starting at the approval of this bill
25 and no later than January 1st, 2026.

26 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

A Resolution to Amend the Constitution to allow ties in congress to be broken by duel

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

RESOLVED, By two-thirds of the Congress here assembled, that the following article is proposed as an amendment to the Constitution of the United States, which shall be valid to all intents and purposes as part of the Constitution when ratified by the legislatures of three-fourths of the several states within seven years from the date of its submission by the Congress:

Amendment #28

SECTION 1: When either house of congress shall vote on an issue, and the results of that vote shall end in a tie, the tie shall be settled with a duel. This duel shall be between an elected representative or senator from each of the parties which were involved in the tie.

SECTION 2: Acceptable forms of duels are old-timey pistol duels as outlined in the historical document "Hamilton" by Lin Manuel Miranda; Fighting with any fixed blade in which the winner is determined by the first person to draw blood or last to yield; or a Yu Gi Oh Duel to 8000 points in which the loser will be banished to the shadow realm.

Section 3: The winner of the duel and therefore the winner of the vote will be determined by the first to draw blood, the party who does not yield, the party who does not die, or the first to reduce their opponent's life points to zero.

Introduced for Congressional Debate by Clash Valley. This bill has no authorship.

A Resolution to Amend the Constitution to Properly Define a Well-Regulated Militia

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

RESOLVED, By two-thirds of the Congress here assembled, that the following article is proposed as an amendment to the Constitution of the United States, which shall be valid to all intents and purposes as part of the Constitution when ratified by the legislatures of three-fourths of the several states within seven years from the date of its submission by the Congress:

|

Amendment #2

SECTION 1: A well-regulated Militia, being necessary to the security of a free State, the right of the people, **who are capable of serving or who have served in the Armed Forces**, to keep and bear Arms, shall not be infringed.

Introduced for Congressional Debate by Olivia Zagal of Skyline 2024.

A Bill to Prohibit the Use of Deepfake Technology

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- 1 **SECTION 1.** The United States shall require the consent of the parties depicted in the |
2 use and distribution of deepfakes created through deepfake technology.
- 3 **SECTION 2.** Deepfake technology shall be defined as synthetic media that has been
4 altered to represent someone's actions or words in a false manner.
- 5 **SECTION 3.** This legislation shall be overseen by the Federal Communications
6 Commission (FCC) and the severity of the punishment will be determined
7 in a court of law.
- 8 **SECTION 4.** This legislation shall go into effect in FY 2026.
- 9 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

Submitted for Congressional Debate by Olivia Zagal of Skyline 2024.

A Bill to Mandate Fair Market Value of Solar Panel Production

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. The United States shall mandate that electric utility companies must reimburse customers a fair market value when customers' solar panels produce an excess that goes to the grid.

SECTION 2. Definitions

- A. Mandate: an official order or commission to do something.
- B. Electric Utility Companies: A corporation, person, agency, authority, or other legal entity or instrumentality aligned with distribution facilities for delivery of electric energy for use primarily by the public.
- C. Reimburse: Repay
- D. Customers: A person with whom a company does business.
- E. Fair Market Value: the price a business, property or other asset would sell for in an open and competitive market where the buyer and seller have adequate information of relevant facts, a reasonable time to complete a deal, are under no compulsion, are acting in their own interests and mutually agree on the price.
- F. Solar Panels Production: electricity, a form of energy resulting from the existence of charged particles.
- G. Excess: an amount of electricity that is more than necessary to meet the homeowners' electrical needs.
- H. Grid: an interconnected network for electricity delivery from producers to consumers.

SECTION 3. The U.S. Federal Energy Regulatory Commission (FERC) shall oversee the implementation of this legislation.

SECTION 4. This legislation will take effect the fiscal year of 2026.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

Introduced for Congressional Debate by Mandy A. of Lava Heights Academy.

8 **RESOLVED,** By the Congress here assembled that strong pressure against the policy
9 should be put against Britian to recognize that the deportment to
10 Rwanda would not only be unsafe for the asylum seekers it affected, but
11 it would also be unlawful to the constitutional state.

Introduced for Congressional Debate by Isabella Wilt from Davis High School

A Resolution to Limit AI Access to Original Work

- 1 **WHEREAS,** Artificial Intelligence generates content by analyzing, using, and
2 mimicking already existing work; and
3 **WHEREAS,** We have a duty to protect the intellectual property of creators; and
4 **WHEREAS,** This usage of original work by Ai should be seen as copyright
5 infringement of protected property; now, therefore, be it
6 **RESOLVED,** By the Congress here assembled that the published media artificial
7 intelligence has access to for reference should be limited to works where
8 the creator has given explicit permission.

Introduced for Congressional Debate by Ariana Doss from Davis High School

A Bill to Prohibit Members of Congress from Engaging in Public Trading

BE IT ENACTED BY THIS CONGRESS THAT:

SECTION 1. Members of Congress along with immediate family, shall be prohibited from engaging in the trading of stocks, bonds, or any other financial instruments for personal gain during their tenure in office.

SECTION 2. For the purposes of this legislation:

- A. "Trading" shall encompass buying, selling, or otherwise participating in the financial markets with the intention of making a profit.
- B. "Members of Congress" shall include Senators and Representatives serving in the United States Congress.

SECTION 3. The Securities and Exchange Commission (SEC) shall oversee the enforcement of this prohibition. The SEC, in coordination with the Office of Congressional Ethics, shall establish mechanisms for monitoring and investigating potential violations. Any member found in violation shall be subject to appropriate penalties and disciplinary actions.

SECTION 4. This prohibition shall take effect on January 1st, 2026, upon passage of this legislation.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

Introduced for Congressional Debate by Luke Butt of Alta High School
