

WACFL II Congress Topics and Packet Rules

In order to help make the legislative packet easier to prep for, we are asking schools to submit one piece of legislation for every two students. When schools register more than two students, the school needs to have submissions from each topic area. Submissions should be in **PDF** format and labeled in Tabroom with the first letter of their topic area and then the number from your schools' [range](#) of numbers (D123, I3000, E 909, etc.).

Domestic:

Price Gauging

Food Safety

DC Statehood

International:

North Korea

Haiti

Venezuela

Economic:

Flood Insurance

NIL for Amateur Athletes

Global Currency

Thank you,

WACFL Congress VP
