Notes

1. **PF is double-flighted.** Both flights should meet the judge in the room at the start of the round. Flight 1 debates while Flight 2 waits OUTSIDE the room. After Flight 1 finishes, judge dismisses them, submits decision & points immediately, then calls Flight 2 in to debate.
2. **Ballots (except for comments) must be submitted and confirmed within 10 minutes of the last speech of the round.** What we need to continue pairing the tournament are decision and points in Debate, ranks and points in IE, or top 8 and PO ballot in Congress. Judges will be able to write/edit their comments until 10:00 p.m.
