Note: The novice Lincoln-Douglas topic is an optional topic that coaches and tournaments may choose to use each year in September/October, or the first two months of the novice season. The same topic is used each year and is created to be accessible to new debaters so that coaches can have a consistent, beginner-friendly topic to guide their novice LD curriculum using educational materials provided by the NSDA. Coaches are encouraged to check with tournament hosts in their area before exclusively prepping for one topic over another. [Access sample cases](#) on the mandatory national service topic.
