### ***Accessibility***

This tournament's accessible entrance is via the parking lot, which you enter via Dalny Road. Please mark in tabroom.com participants who require ADA-accessible rooms. You should also reach out to the Officers directly, as tabroom.com does not consistently auto-pair marked participants into ADA-accessible rooms.

### ***Gender-Neutral Batrooms***

A gender-neutral restroom can be found on the first floor (not ground floor, one above the ground floor) in the campus ministry office, marked with a gender-neutral restroom sign. Others are hidden in faculty offices, so please find WK, Mr. Adam King, or Mr. Kieran Larkin and we can direct you to those if the one on the first floor is occupied.

### ***Quiet Space***

Room 22 is designated as the tournament's quiet space, reserved for those looking for prayer, meditation, and/or a sensory break. It will be marked with a sign
