\*Outrounds for debate are generally determined based on entry numbers. Should there be a sufficient number of entries in an event, the tournament would prefer to break to Double or Octafinals provided that entry numbers warrant. Only to limit screen time and endorse healthy behaviors, we could offer fewer out-rounds in debate.

\*\* Even with high judging fees and judge hires based on the tournament data, in past tournaments, we have needed to cancel a 6<sup>th</sup> round of debate, due to low judge turnout from across the tournament. Please consider bringing judges instead of hiring and be sure your judges understand how to fulfill their commitments.
