A Bill to End Polish Authoritarianism

Section 1: In recent years, Poland's authoritarian government has been oppressing the Polish people. The United States of America shall pressure the Polish government to end this by ending U.S. economic aid to Poland if the following conditions are not met: judicial independence is restored, media is uncensored, and full protection and equality for LGBT people and immigrants against discrimination is in law.

Section 2: Ending shall be defined as to cease or halt until the conditions are met. Economic aid shall be defined as support in the form of money from the U.S. government, including military aid. Media censorship shall be defined as the suppression of free press or free speech in news. Judicial independence shall be defined as the ability for the judicial branch to check the power of other branches of government without interference of other branches of government. Full protection and equality shall be defined as laws outlawing discrimination and the repeal of all discriminatory laws. LGBT people shall be defined as any person who is not both heterosexual and cisgendered. Immigrants shall be defined as any people who reside in Poland without being born with Polish citizenship.

Section 3: The U.S. State department will oversee implementation of this legislation.

Section 4: These consequences on the Polish government shall go into effect one year after the bills passage as to allow for adequate time for the Polish government to reform.

Section 5: All sections of laws in conflict with this legislation are hereby declared null and void.

Respectfully submitted,

A BILL TO PROMOTE MORE FUNDING FOR EQUAL HEALTHCARE FOR ALL

SECTION 1. The funding that people receive in order to receive high-quality Healthcare is not enough to improve the quality of life of every human being. The United States Government and Health and Human Services Department will grant more funding to people's health in order to achieve equality, as well as improve the health of everyone. We will be raising 40 billion dollars. We will be getting this money by decreasing the military budget by twenty billion dollars and adding a one percent tax to those making 100,000 dollars per person or 200,000 dollars as a family. The funding for this healthcare will be directed towards those who earn under 40,000 dollars per year as an individual or 80,000 dollars a year as a family. This money will be directed towards basic health care costs including dental, primary, and mental health services.

SECTION 2. Healthcare is defined as the prevention, treatment, and management of illness for the benefit of physical and mental well-being.

SECTION 3. The U.S Health and Human Services Department will oversee the implementation of this bill. The Health and Human Services Department will allocate the resources to do the most good however they see fit.

SECTION 4. This change in budget will take effect on January 1, 2024.

SECTION 5. All sections of laws in conflict with this legislation are hereby declared null and void.

Respectfully submitted,
