JUDGING

In addition to the usual requirement of one judge for every nine invitational debaters, each school will need to provide a coach or very experienced judge if any of their students qualify for TOC chambers.

For example:

- if a school enters eleven students and one qualifies for TOC, that school will be required to provide two judges for the invitational tournament and one coach/experienced judge for TOC.
- if a school enters ten students and one qualifies for TOC, the school will need to provide one judge for the invitational tournament and one coach/experienced judge for TOC.

Judges should expect to serve all three sessions. Your school's judging obligation will be frozen on Friday, January 12, at 5:00 p.m. based on the number of competitors registered in Tabroom. Subsequent drops will not be considered when making assignments.

Please have judges entered in Tabroom by **Wednesday, January 15 at 5:00 p.m.** Final judging assignments will be released the day of the tournament.
