A Resolution to Celebrate and Protect Surrogacy for Foreign Nationals

- 1 **WHEREAS** A prominent European nation which already bans its citizens from becoming parents
2 through surrogacy has now criminalized the same practice even when pursued abroad; and
- 3 **WHEREAS** This is a clear infringement of basic human rights and a shameless and overreaching attempt
4 to enforce traditionalist and reactionary notions of family that have no place in the 21st
5 century; and
- 6 **WHEREAS** As a global leader, the United States owes it to the international community to reject such
7 hatred and speak up for human rights around the globe; now, therefore be it
- 8 **RESOLVED** by the Congress here assembled that foreign nationals who visit the United States seeking
9 to become parents through surrogacy because they are forbidden from doing so in their
10 homeland are to be celebrated and supported in these pursuits; and be it
- 11 **FURTHER RESOLVED** that Congress encourages all who are involved in such undertakings here in the
12 United States to do their best to serve foreign nationals in a way that shields them to the
13 greatest extent possible from potential recriminations from their home governments; and
14 be it
- 15 **FURTHER RESOLVED** that Congress calls upon all foreign governments not just to decriminalize so-
16 called surrogacy tourism but also to legalize and regulate the practice within their borders.

A Resolution to Encourage the Recognition of Northern Cyprus

- 1 **WHEREAS** As of this past July, the Turkish Republic of Northern Cyprus, commonly known as Northern
2 Cyprus, has been the de facto government of the northeastern portion of the island of
3 Cyprus for half a century; and
- 4 **WHEREAS** Official recognition by and normalized relations with the international community would do
5 enormous good for the nearly 400,000 people who call this territory home; and
- 6 **WHEREAS** Movement in this direction would also be enormously beneficial for relations between the
7 United States and Turkey; now, therefore be it
- 8 **RESOLVED** by the Congress here assembled that the Executive Branch is strongly encouraged to
9 recognize the Turkish Republic of Northern Cyprus and to establish an embassy in North
10 Nicosia as soon as is practicable; and be it
- 11 **FURTHER RESOLVED** that Congress encourages the rest of the international community to make haste
12 in following suit.

A Resolution to Amend the Constitution to Delink Felony Convictions from Enfranchisement

1 **RESOLVED,** That the following article is proposed as an amendment to the Constitution of the United
2 States, which shall be valid to all intents and purposes as part of the Constitution when
3 ratified by the legislatures of three-fourths of the several states within seven years from
4 the date of its submission by the Congress:

5 **ARTICLE —**

6 **SECTION 1.** No citizen shall have their right to vote infringed at any point or for any amount of time on
7 account of having been accused or convicted of a felony.

8 **SECTION 2.** All citizens who are, at the time of ratification, disenfranchised for such reasons shall
9 immediately have their right to vote restored.

Resolution to Phase Out Asphalt and Establish Sustainable Alternatives to Comabe Urban Heat Islands

- 1 **WHEREAS,** The widespread use of asphalt in urban areas is contributing to the formation of
2 heat islands, exacerbating rising temperatures, and negatively impacting the
3 quality of life for city residents; and
- 4 **WHEREAS,** Asphalt, with its heat-absorbing properties, leads to increased temperatures in
5 densely populated areas, contributing to heat related illnesses, increased energy
6 consumption for cooling, and environmental degradation; and
- 7 **WHEREAS,** The detrimental effects of asphalt on urban environments necessitate the
8 development of sustainable alternatives that mitigate the urban heat island
9 effect, reduce energy consumption, and enhance overall livability; now,
10 therefore, be it
- 11 **RESOLVED,** That the Congress here assembled calls upon the Environmental Protection
12 Agency, in consultation with experts and in collaboration with relevant federal,
13 state, and local agencies, shall develop a plan to phase out asphalt in urban
14 infrastructure and promote sustainable alternatives, considering cost-
15 effectiveness and environmental benefits; and, be it
- 16 **FURTHER RESOLVED,** That annual progress reports and updates on the phase-out of asphalt
17 and the adoption of sustainable alternatives shall be provided to Congress by the
18 Environmental Protection Agency, allowing for ongoing oversight and evaluation
19 of the initiative's effectiveness.
