Parking/Drop-Offs

For individual parking and vans, you may use the main lot attached to the school building.

For buses, our building team has asked that you park in our lot across the street (corner of Michigan and 35th) and walk across from there. Please try to avoid dropping off right on the street.

If you usually search MUHS on a GPS, it will spit out 3401 W. Wisconsin. While that is accurate, please drop off on the Michigan Avenue address listed above.

We will have concessions available for purchase!

If mailing, please send to: Marquette University High School
