

Meal Information

**Ohio Christian University, Circleville, Ohio
February 14 & 15, 2025**

Cafeteria:

The cafeteria will be open for families to purchase meals. You can find cafeteria hours, prices, and menus at the [OCU Dining Hall website](#).

Bring Your Own:

As always, you are free to bring your own food and coolers to be kept in the auxiliary gym in the Student Center. No crockpots or other cooking appliances are allowed.

Note about judge pool and picking up lunch: Keep in mind that parents need to be available to judge, so do not count on being able to run out for lunch at your leisure. Our judge pool is tight, so it is best if you bring your lunch or use the cafeteria so you are available and your student has food when they need it.
