2	<u>A Resolution to Celebrate and Protect Surrogacy for Foreign Nationals</u>	<u>3</u>
3	<u>A Bill to Institute Siesta in Federal Offices.....</u>	<u>4</u>

A Bill to End Pretextual Traffic Stops

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED:

SECTION 1. Law enforcement officers throughout the United States and its territories are henceforth prohibited from conducting pretextual traffic stops.

SECTION 2. A pretextual traffic stop is defined as the detainment and investigation of a motorist for an offense that does not present a clear and present danger to those on or near the roadway or which is conducted primarily to pursue suspicion of a more serious crime.

SECTION 3. Any law enforcement agency found to be in violation of this legislation shall lose federal funding until such time as compliance is reached. Any officer found to be in repeated violation of this legislation shall be disciplined up to and including termination.

SECTION 4. This legislation shall be overseen by the Department of Justice.

SECTION 5. This legislation shall take effect immediately upon passage.

SECTION 6. All laws in conflict with this legislation are hereby declared null and void.

A Resolution to Celebrate and Protect Surrogacy for Foreign Nationals

1 **WHEREAS** A prominent European nation which already bans its citizens from
2 becoming parents through surrogacy has now criminalized the same
3 practice even when pursued abroad; and
4 **WHEREAS** This is a clear infringement of basic human rights and a shameless and
5 overreaching attempt to enforce traditionalist and reactionary notions
6 of family that have no place in the 21st century; and
7 **WHEREAS** As a global leader, the United States owes it to the international
8 community to reject such hatred and speak up for human rights around
9 the globe; now, therefore be it
10 **RESOLVED** by the Congress here assembled that foreign nationals who visit the
11 United States seeking to become parents through surrogacy because
12 they are forbidden from doing so in their homeland are to be celebrated
13 and supported in these pursuits; and be it
14 **FURTHER RESOLVED** that Congress encourages all who are involved in such undertakings
15 here in the United States to do their best to serve foreign nationals in a
16 way that shields them to the greatest extent possible from potential
17 recriminations from their home governments; and be it
18 **FURTHER RESOLVED** that Congress calls upon all foreign governments not just to
19 decriminalize so-called surrogacy tourism but also to legalize and
20 regulate the practice within their borders.

A Bill to Institute Siesta in Federal Offices

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED:

SECTION 1. All federal offices shall redesign their schedules to provide three full hours of off-time in the middle of the work day to allow employees time for siesta. Employees may stay at their worksite for siesta, or they may leave the premises.

SECTION 2. A siesta is defined as resting or napping during the middle of the day, a practice with wide-ranging and well-documented health benefits.

SECTION 3. Federal offices are encouraged to provide space for employees to take their siesta on the premises. Congress shall apportion an additional \$500 million annually to the Department of Health to be used to support workplaces in preparing spaces and purchasing supplies for siesta. Non-federal workplaces may also apply for these funds and are encouraged to enact similar practices for the health and well-being of their employees.

SECTION 4. This legislation shall be jointly overseen by the Department of Health and the Department of Labor.

SECTION 5. This legislation shall take effect January 1, 2026.

SECTION 6. All laws in conflict with this legislation are hereby declared null and void.
