Accessibility

The building's main entrance at 181 Lincoln Place is wheelchair accessible via a ramp on the lefthand side of the courtyard. There is also non-keyed elevator access to all floors. Please mark in tabroom.com participants who require ADA-accessible rooms. You should also contact the Officers directly, as tabroom.com does not consistently auto-pair marked participants into ADA-accessible rooms.

Gender-Neutral Bathrooms

Gender-neutral restrooms can be found on each floor.

Quiet Space

The Learning Center is designated as the tournament's quiet space, reserved for those looking for prayer, meditation, and/or a sensory break. It will be marked with a sign. It is across from the middle school office and the Gender-Neutral restrooms on the first floor, when you turn left when entering from the main doors and go up the few stairs, it is on the righthand side near the mailboxes.
