

Lincoln Northwest Falcon Face-off Debate Tournament

**January 18, 2025 -- 4901 W Holdrege St,
Lincoln, NE 68528**

We are thrilled to announce that the 1st Lincoln Northwest Falcon Face-off Debate Tournament will take place on January 18, 2025. We will offer “in person” competition in Policy, Lincoln Douglas, Congressional Debate and Public Forum.

A FEW IMPORTANT NOTES -

- We will do our best to avoid collapsing divisions but given entries, we may be forced to collapse. We will inform coaches if this collapse occurs.
- Students will be allowed to use the internet for email chains/speech drops as needed during rounds. All road maps will be off time. Management reserves the right to handle situations as they arise and as we see fit to best facilitate student learning. We will be using NSDA rules (including current topics).

This tournament will follow all NSAA bylaws. This is a high school only tournament. Students must be eligible according to NSAA and may only compete for the school in which they are currently enrolled. The NSAA bylaws can be viewed at nsaahome.org.

Online balloting – we will be using online balloting for all events. Please make sure that all of your students and judges are “linked” to accounts in Tabroom.com.

We urge all judges to write a paradigm. Paradigms help debate stay educational and help students learn adaptation skills. If you have any questions about how to set up a paradigm, do not hesitate to ask.

Online Entry -- Entries will only be accepted online via Tabroom.com. Deadline for entries is January 16th. Changes or drops after that date can be changed on the website or emailed to me at bteply@lps.org

The Nebraska Speech, Communication, and Theater Association believes that communication’s value is through the sharing of multiple perspectives and learning through the experiences of others. Therefore, our mission as the NSCTA is to foster and promote the celebration of diversity, equity, and inclusion. We define diversity as differences in race, color, place of origin, socioeconomic status, religion, immigrant and newcomer status, ethnic origin, ability, sex, sexual orientation, gender identity, gender expression and age. We seek to enhance diversity through the removal of systemic barriers and biases. We commit to model and encourage the practice of valuing and respecting the contributions of all participants in speech, debate, and theater.
