

A Bill to Subsidize Nuclear Power through the Taxing of the Rich

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- 1 **SECTION 1.** The nuclear power industry shall be given yearly
2 subsidies to the amount of 60% of the monetary gains provided by
3 this bill, the other 40% shall be devoted to combating student debt.
4 This monetary gain shall be provided by an annual wealth tax on
5 those individuals with a net worth above \$500 million. For every \$1
6 million above \$500 million, the tax shall be raised by .1%, from a base
7 rate of 5%, to a maximum of 60%.
- 8 **SECTION 2.** A wealth tax shall be defined as a tax on the net worth of
9 an individual, in this case to be done annually. An exit tax shall be
10 defined as a tax on an individual when they renounce citizenship of a
11 country, in this case of the United States of America.
- 12 **SECTION 3.** This piece of legislation shall be enforced by the IRS,
13 with priority enforcement due to the amount of revenue, with DOJ
14 assistance in required, due to the power of these individuals. An
15 additional enforcement method to prevent the skirting of this tax will
16 be an exit tax of 99% of that individual's net worth, but only on those
17 for whom the tax rate of 6% would be applied to. The cut of funds
18 devoted to nuclear power shall be analyzed and allocated by the
19 Department of Energy, and the funds for student debts shall be
20 analyzed and allocated by the Department of Education.
- 21 **SECTION 4.** This legislation will take effect upon the commencement
22 of fiscal year 2026. All laws in conflict with this legislation are hereby
23 declared null and void.

Introduced for Congressional Debate by McClintock High School.

Bill F

A Bill to Ban Non-Therapeutic Human Genetic Engineering

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. The practice of non-therapeutic human genetic engineering is hereby prohibited in the United States.

SECTION 2. A. Non-therapeutic genetic engineering shall be defined as any genetic modification intended to enhance physical, cognitive, or aesthetic traits and does not include any modification attempting to treat, cure, or prevent a medically recognized disease or disorder.

SECTION 3. The Department of Health and Human Services and Food and Drug Administration (FDA) shall oversee enforcement of this legislation. A. Violations of this legislation shall be punishable by fines of up to \$10 million for corporations and research institutions, and up to 10 years in federal prison for individuals knowingly engaging in prohibited practices

SECTION 4. This legislation shall take effect on January 1st, 2026. All laws in conflict with this legislation are hereby declared null and void. Introduced for

Congressional Debate by Brophy College Prep.

A Bill to Abolish the Detention Facility at Guantanamo Bay

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** The United States shall permanently close the Guantanamo Bay
3 detention facility and transfer the remaining detainees to
4 appropriate facilities in compliance with U.S. and international law.

5 **SECTION 2.** For the purposes of this bill, the following terms shall be defined:

6 A. Guantanamo Bay detention facility refers to the U.S.
7 military prison located at Naval Station Guantanamo Bay, Cuba,
8 established in 2002 to house terrorism suspects.

9 B. Appropriate facilities refer to federal prisons, military
10 detention centers, or countries of origin that comply with
11 international human rights standards.

12 **SECTION 3.** The Department of Defense (DoD) shall oversee the closure
13 process, ensuring the lawful transfer or prosecution of detainees.

14 A. The Department of Justice (DOJ) shall facilitate legal
15 proceeding for detainees eligible for trial in U.S. courts.

16 B. The Department of State shall coordinate diplomatic efforts for
17 repatriation or third-country resettlement where applicable.

18 **SECTION 4.** This legislation will take effect on FY 2026. All laws in conflict with
19 this legislation are hereby declared null and void.

Bill H

A Bill to Promote Sustainable Artificial Intelligence Development to Address Water Usage Concerns

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. To reduce the environmental effects of artificial intelligence (AI), the adoption of sustainable practices in the development and operation of AI systems to mitigate water consumption shall be mandated for all businesses and government organizations.

SECTION 2. For the purposes of this bill

A: "Sustainable Practices" shall refer to the following practices

- 1) The implementation of liquid cooling systems that utilize closed-loop water recycling.
- 2) The integration of energy-efficient computing hardware to reduce overall computing requirements.

B: "Mitigate Water Consumption" shall be defined as the adoption of the above policies to improve water efficiency, minimize waste, and ensure responsible resource management.

SECTION 3. The Environmental Protection Agency (EPA) shall oversee the enforcement of this bill through the following mechanisms.

- A. Allocating a \$5 million grant, reallocated from the Department of Defense's budget for companies to allocate the proposed sustainable practices.
- B. Monthly audits of AI related facilities conducted by the EPA to ensure compliance with water conservation practices, and produce non-compliance penalties or fines as warranted.

SECTION 4. This bill shall take effect on January 1, 2026.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

Introduced for Congressional Debate by Arizona College Prep High School.
