

4n6 Series: Snowdrop - CD Docket

- Item 1 - A Bill to Mandate the Use of Body Cameras for All Public School Teachers to Ensure Student Safety
- Item 2 - A Bill to Legalize the Commercial Harvesting of Whale Blubber for Renewable Energy Production
- Item 3 - A Resolution to Mandate the Labeling of Lab-Grown Meat to Inform Consumers

Item 1 – A Bill to Mandate the Use of Body Cameras for All Public School Teachers to Ensure Student Safety

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. The use of body cameras for all public school teachers is hereby mandated to ensure student safety and accountability.

SECTION 2. "Body cameras" refer to wearable recording devices that capture audio and video footage.

SECTION 3. The Department of Education will oversee the implementation and regulation of this mandate.

A. Schools must provide body cameras to all teachers and ensure their use during school hours.

B. Violations will result in fines up to \$10,000 per incident.

C. Recorded footage will be stored securely and accessed only for investigations of misconduct or safety incidents.

SECTION 4. This legislation will take effect on July 1, 2026. All laws in conflict with this legislation are hereby declared null and void.

Item 2 - A Bill to Legalize the Commercial Harvesting of Whale Blubber for Renewable Energy Production

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- SECTION 1.** The commercial harvesting of whale blubber is hereby legalized for the purpose of renewable energy production.
- SECTION 2.** "Whale blubber" refers to the thick layer of fat found under the skin of whales, which can be processed into biofuel.
- SECTION 3.** The National Oceanic and Atmospheric Administration (NOAA) will oversee the regulation and sustainability of this practice.
- A. Harvesting quotas will be established to prevent overexploitation.
 - B. Violations will result in fines up to \$100,000 per incident.
 - C. Annual reports on the environmental impact and sustainability of whale blubber harvesting will be published.
- SECTION 4.** This legislation will take effect on January 1, 2026. All laws in conflict with this legislation are hereby declared null and void.

Item 3 - A Resolution to Mandate the Labeling of Lab-Grown Meat to Inform Consumers

WHEREAS, Lab-grown meat, also known as cultured meat, is becoming increasingly available as an alternative to traditional meat; and

WHEREAS, There is ongoing debate about the health, environmental, and ethical implications of lab-grown meat; and

WHEREAS, Consumers have the right to know the origins and production methods of the food they consume; and

WHEREAS, Mandating the labeling of lab-grown meat can provide transparency and allow consumers to make informed choices; now, therefore, be it

RESOLVED, That the Congress here assembled encourages the mandatory labeling of lab-grown meat to inform consumers about its origins and production methods; and, be it

FURTHER RESOLVED, That the Food and Drug Administration (FDA) will oversee the implementation and enforcement of this labeling requirement.
