

Coaches,

You are invited to attend the Buhler Forensics Invitational on Saturday, March 29th 2025. We will offer all standard events (Prose, Poetry, POI, DI, HI, Duo, Duet, IDA, Impromptu, Informative, Info 10, Oration, USX, and IX). Also, we are happy to announce we are once again a NIETOC Bid Qualifying tournament this year.

A student competitor may enter in as many events as they'd like. However, we will not adjust times or hold a round if a student is running behind. Tell your students who want to enter in 3 or more entries to plan well and hustle.

We will medal the top 6 in each event, and award sweepstakes awards to the top 3 schools in the tournament. Sweeps will be based on a school's best 16 entries.

Entries will be \$6 per entry, and \$12 for partner events.

A meal deal will be provided, and we will have to available to order ahead of time. We can either add it to your invoice or you can bring the money with you to pay day of. I would encourage you to order through that or to bring your own meals, because options in Buhler are very sparse.

Our schedule is below. First Draw will be 15 minutes before the scheduled start of a round.

We hope to see you in March,

Dakota Yates
