Coaches, the deadline for registering your teams on tabroom.com is Monday, March 10, but we will close registration if the tournament fills before that. We have a cap of 120 teams.

Please note: Schools **must** provide **at least** one certified full-time judge (for four debates) for every two teams registered. If your judges do not wish to judge all four rounds, be sure to include this in your calculation and bring additional judges. Teams will be cut if schools don't bring enough judges.

Coaches,
