

## A RESOLUTION TO PRESERVE PLANNED PARENTHOOD FUNDING

1 Whereas, Planned Parenthood has recently had their funding through  
2 Medicaid and other federal grant programs threatened;  
3 Whereas, states and local government agencies have sought to reduce or  
4 eliminate funding for Planned Parenthood,  
5 Whereas, eliminating or decreasing the amount of this public funding will  
6 force local Planned Parenthood offices to close, and;  
7 Whereas, Public funding for Planned Parenthood includes but is not limited  
8 to Cancer Screening and Prevention, STI Testing and Treatment,  
9 contraception, and other essential women's healthcare;  
10 therefore,  
11 BE IT RESOLVED THAT: The United States Congress will guarantee that  
12 Planned Parenthood will continue to receive public funding for  
13 necessary programs.
