

## The Democracy Act of 2025

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

1           **SECTION 1.**   Congress shall require Ranked Choice Voting for elections  
2           for both Senators and Representatives in all states. The House elections  
3           shall use Multi-Member Districts to choose representatives.

4           **SECTION 2.**   Ranked Choice Voting in conjunction with Multi-Member  
5           Districts will replace the current election structure.

6           A. Ranked Choice Voting is defined as a system where each voter  
7           ranks candidates for an office in order of preference.

8           B. For Multi-Member Districts, if a state is entitled to six or more  
9           Representatives in Congress, the State shall establish a number of  
10          districts for the election of Representatives in the State that is less  
11          than the number of Representatives which the state is entitled, and  
12          Representatives shall be elected only from districts so established.

13          C. Each district must have equal population as practicable per the U.S  
14          Constitution.

15          D. Each district elects 3 to 5 representatives.

16          E. The number of representatives shall be the total U.S population  
17          divided by the population of the smallest state.

18          **SECTION 3.**   The Federal Election Commission will oversee the  
19          enforcement of this legislation. \$2 billion dollars shall be allocated towards  
20          the process of adopting the RCV system. Such funding shall be used for  
21          equipment, software, and infrastructure necessary for the system.

22          **SECTION 4.**   This legislation will take effect on January 1, 2026. All laws in  
23          conflict with this legislation are hereby declared null and void.
