

# UNDER CONSTRUCTION

## Arriving before 2:30 PM?

You can only access the front parking lot of Jersey Village from Congo St. All other entry points will be closed off by cones.

Buses will need to take an immediate right once in the parking lot, circle the perimeter, drop off students, and exit. See arrow.

Buses can park on campus where they can find a spot. It is highly encouraged for buses to leave and come back after 2:50 PM due to limited parking before this time due to construction.

Cones will be removed after the school day for ease of access into the lot.
