

A Resolution to Support Self-Determination for the Falkland Islands

1 BE IT CONSIDERED BY THE STUDENT CONGRESS HERE ASSEMBLED:

2 Whereas, Argentina continues to assert territorial claims over the Falkland
3 Islands despite the wishes of the island's inhabitants; and

4 Whereas, The majority of Falkland Islanders have repeatedly
5 expressed, through democratic referenda, their desire to remain a
6 self-governing British Overseas Territory; and

7 Whereas, Argentina's persistent claims and diplomatic pressure
8 contribute to regional tension, disrupt international cooperation,
9 and challenge the principle of self-determination; and

10 Whereas, The United States has historically supported the right of peoples
11 to determine their own political status and has an interest in
12 maintaining stability among democratic allies; now, therefore, be
13 it

14 Resolved, The United States urges all parties to respect the Falkland
15 Islanders' right to self-determination and encourages continued
16 peaceful, diplomatic engagement between the United Kingdom
17 and Argentina.

A Bill To Cap The Price of Insulin

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 Article I. A federal retail price cap shall be imposed on all domestic sellers of
3 insulin vials. No vial or insulin delivery unit shall exceed a 400% markup
4 above the federally verified manufacturing price per unit of insulin.

5 Article II. A. “Sellers” shall be defined as corporations, companies, or entities with
6 FDA approval to market insulin products.

7 B. “Insulin vials” is defined as a small bottle that contains U-100 insulin
8 medication.

9 C. “Markup” refers to the difference between the retail price and the
10 verified manufacturing price, expressed as a percentage of the verified
11 manufacturing price.

12 D. “Manufacturing price” is defined as the total cost of all resources used
13 to create a finished product.

14 E. “Cap” is defined as the maximum retail price allowed under this
15 legislation.

16 Article III. The Department of Health and Human Services must be responsible for
17 not only implementing, but also enforcing this legislation.

18 A. Any seller that violates this federal price cap must be subject to a civil
19 penalty equal to three times the excess revenue collected from said
20 sales.

21 B. The Department of Health and Human Services must issue an annual
22 public report on company compliance, actions taken, and average
23 verified manufacturing prices.

24 Article IV. This legislation will take effect on July 1, 2028.

25 Article V. All laws in conflict with this legislation are hereby declared null and void.

A Bill to Prohibit Sports Betting

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 Article I. All forms of sports betting, including online, in-person, and mobile
3 sportsbook wagering, shall be prohibited within the United States.

4 Article II. A. Sports betting shall be defined as placing, accepting, or facilitating a
5 wager on the outcome, statistics, or events of any professional, collegiate,
6 or amateur sporting event
7 B. Facilitation includes advertising, hosting, or providing technology or
8 platforms that enable sports betting transactions.

9 Article III. A. The Department of Justice (DOJ) shall oversee enforcement of this
10 legislation.

11 B. The Federal Communications Commission (FCC) shall enforce the
12 prohibition of broadcast and online advertising related to sports
13 betting.

14 C. The Internal Revenue Service (IRS) shall investigate and penalize
15 financial transactions related to illegal sports wagering operations.

16 D. Violations shall result in civil penalties up to \$250,000 per offense and
17 criminal penalties for repeated, intentional violations.

18 Article IV. This legislation will take effect on July 1, 2026.

19 Article V. All laws in conflict with this legislation are hereby declared null and void.

**A BILL TO REQUIRE FEDERAL AGENCIES TO PUBLISH NON-CLASSIFIED
INFORMATION ON A SINGLE PUBLIC WEBSITE**

1 BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED THAT:

2 Article I: All federal agencies must publish non-classified reports, data, and policy-
3 related communications on a single public website that is free and easily
4 accessible to the public, with all required information uploaded within a
5 30-day window of its creation.

6 Article II: For the purposes of this Act:

7 A. Non-classified information is defined as any information not protected
8 by the classification rules established by the federal government.

9 B. Policy-related communications include emails, memos, meeting
10 summaries, and other materials used in creating or influencing public
11 policy.

12 C. The public website must be centrally operated and maintained by the
13 federal government to ensure stability and uniform access.

14 Article III: This bill shall take effect on July 1, 2026, allowing federal agencies and
15 the oversight body sufficient time to develop and implement the required
16 centralized website infrastructure.

17 Article IV: The Office of Management and Budget (OMB) shall oversee the creation
18 and operation of the public website.

19 A. The Government Accountability Office (GAO) shall be responsible for
20 evaluating agency compliance with this Act on an annual basis.

21 B. Based on repeated violations of the 30-day publication window, the
22 GAO may recommend reducing the offending agency's discretionary
23 budget by up to 0.5% until compliance is achieved.

24 Article V: All laws or parts of laws in conflict with the provisions of this new policy
25 are hereby declared null and void.
