

Sunset High School is located at 13840 NW Cornell Road, Portland, OR 97229. The main entrance is located off of NW Cornell and NW Trail. Alternate entrance is located off of NW Science Park Drive. Buses should only enter and exit from NW Cornell. For drop off, proceed straight to the flagpole, near the building main entrance. Buses that plan on staying for the duration may remain in the bus loop. Sunset has ample parking, but be prepared to walk. We are an older one story building with unpredictable HVAC. Please enter through the building main entrance at the front of the school marked with a green star below. This is the only approved entry point.
