GROUP USER ACCESS INSTRUCTIONS

Instructions for the Guest

1. Go to the network settings on the device and select **LAUSD-Guest**.
2. Open a web browser and type the following **http://www.google.com.** The page will be redirected to the LAUSD Wireless Guest Access Portal.
3. Enter the wireless guest access code and check the box next to the **I accept the terms of use**. You will now have access to the wireless network.
