

University Novice 2025 Asynch Extemp/Impromptu Questions

Asynchronous Extemp & Impromptu:

- Students will submit 1 video to use for the weekend. They are free to pick from any of the following questions below.
- Tab will not require any proof of Extemp prep time. Simply have students prep and record a video. We understand that you may need a couple of recording attempts.
- For Impromptu please record the whole 7min. So if kids are thinking for 3min, have 3 min of them sitting at desk thinking, then they will stand up and deliver for the remaining 4 min
- Videos cannot be edited in any shape or form.

NX/IX

- Will Israel be able to force Hamas to disarm?
- What will be the defining issue of the 2026 midterm elections?
- Is artificial intelligence helpful or harmful to the environment?
- Is the ongoing trade war more harmful to China or America?
- What should be done to restore trust in the Supreme Court?

Impromptu (Would Recommend only showing students once they are ready to record)

- The only way to discover the limits of the possible is to go beyond them into the impossible.”
