Link your account

Request Link

Once you click 'Link your account,' your name and school should show up. Click 'request link' to connect to yourself on Tabroom. Make sure you select the one that matches the school you are judging for if there are several people with your name.

If you are unable to find a judge record for your name, notify the program you are judging for and let them know the email you used to sign up for Tabroom so they can manually link you.

JUDGES NAMED JOE BOB

Link a judge record to your accounts for email/text pairings & ballot assignments. Note: the administrators of your team or school will have to approve requests to claim a judge record before you can access them. Team admins will be notified of requests by email.

Please only link to your OWN judge record

| Name | School/Team | Tournament(s) | |
|---------|---------------------------|---------------|------------------------------|
| Joe Bob | Buhach Colony High School | 0 tournaments | Request link |

Do **NOT** link your accounts to your school's other judges, etc. That will prevent them from accessing online ballots, getting texts, or being contacted by tournaments.

If you want to get text/updates for one of your team's judges, you should instead sign up on the tournament's online updates page.

Name search

If your name on the judge record isn't spelled exactly as it is on your account, the system may not have found you. Computers can't read nicknames, etc. If so, search alternate spellings of your name below to link.

Wait for Coach Approval

Once the coach approves your link request, you will officially be ready to judge!
