## A Resolution to Repudiate Golden Urn Diplomacy

- 1   **WHEREAS** Through State Religious Affairs Bureau Order No. 5 (国家宗教事务局令第5号), the  
2                   government of the People's Republic of China (PRC) has exploited the Qing Dynasty  
3                   tradition of the Golden Urn to improperly influence the affairs of Tibetan Buddhism to  
4                   benefit PRC interests; and
- 5   **WHEREAS** The use of the Golden Urn in this way runs directly counter to the directives of the Dalai  
6                   Lama and Tibetan Buddhist leadership generally; and
- 7   **WHEREAS** Tibetan Buddhists have already suffered enormously under PRC policies and risk total  
8                   cultural erasure without international support and intervention; and
- 9   **WHEREAS** With Tenzin Gyatso, the 14th Dalai Lama, entering his 90s, the risks posed by Golden Urn  
10                  Diplomacy grow more severe than ever; now, therefore be it
- 11 **RESOLVED** by the Congress here assembled that any declarations authorized by the PRC regarding  
12                  Tibetan Buddhism and in particular its leadership are roundly rejected and condemned,  
13                  even when attempts are made to justify these declarations through the tradition of the  
14                  Golden Urn; and be it
- 15 **FURTHER RESOLVED** that Congress calls on the PRC to fully empower the rightful leaders of Tibetan  
16                  Buddhism and to legitimately respect its rich spiritual traditions; and be it
- 17 **FURTHER RESOLVED** that Congress encourages the allies of the United States to issue similar  
18                  declarations to support Tibetan Buddhism and reject the PRC's cultural imperialism; and be  
19                  it
- 20 **FURTHER RESOLVED** that Congress warns the PRC that continued abuse and oppression of Tibetan  
21                  Buddhists will not be tolerated.

## A Resolution to Encourage the Curtailing of Excessive Absentee Voting

- 1    **WHEREAS**    Absentee voting was originally designed with a very limited scope to protect the right to  
2                    vote when intractable extenuating circumstances, in particular military service, made  
3                    physical presence at a polling place unduly challenging; and
- 4    **WHEREAS**    Absentee voting has since been abused in many jurisdictions to allow citizens to vote  
5                    absentee for less legitimate reasons or even without providing any reason whatsoever; and
- 6    **WHEREAS**    The sanctity of our elections is indisputably crucial for the ongoing viability of our republic,  
7                    and so we must do all we can to prevent opportunities for voter fraud as well as to  
8                    eliminate the space for conspiracies to fester around perceptions thereof; now, therefore  
9                    be it
- 10   **RESOLVED**   by the Congress here assembled that all States and Territories are encouraged to eliminate  
11                    no-excuse absentee voting; and be it
- 12   **FURTHER RESOLVED**   that Congress encourages all States and Territories to be conscientious and  
13                    conservative in determining which situations truly justify absentee voting and to accept no  
14                    others.
