

Dear High School Forensics Coaches,

Danville High School would love to welcome you to our inaugural Admirals Ahoy! tournament on November 22, 2025. Registration will be available through [tabroom.com](https://tabroom.com).

### **ENTRIES**

All 14 KHSSL Speech events will be offered, following the KHSSL rules, as well as Extemp Debate. Please see the KHSSL Handbook at [www.khssl.org](https://www.khssl.org) for event rules & regulations.

You may enter as many students per event as you would like; the best three competitors from your team in each event will count toward team sweepstakes. Each single entry will be \$6.00, with Duo Interp & Improv Duo being \$12.00, and students may enter a maximum of three speech events. If students are doing Extemp Debate, they may enter one additional speech event, however it can not be Extemporaneous Speaking due to the prep times.

Depending on the number of people attending our meet, we will aim to do a traditional three-round tournament; however we may need to adjust this upon the registration deadline. Coaches will be notified as soon as possible in the event that we move to a flighted schedule.

### **AWARDS**

Awards will be given to competitors placing 1st-6th in each event, as well as sweepstakes.

### **LUNCH & CONCESSIONS**

Food will be available to purchase for lunch, as well as concessions throughout the day. We respectfully request that students refrain from using Door Dash or other apps to order food delivery, as we are hoping to raise funds for our team with the lunch and concession sales. We will have a judges' lounge with food for coaches, judges, and drivers.

### **ACCESSIBILITY**

Please be sure to make a notation in your Tabroom registrations if students or judges need an accessible classroom. We will have private, ungendered restrooms available for students upon request by the coach. Please do not hesitate to contact Karen Tompkins at [karen.tompkins@danville.kyschools.us](mailto:karen.tompkins@danville.kyschools.us) if you have any questions or concerns about accessibility.
