

2025 Northern Lights NSDA Debate Qualifier
December 9-10, 2025 - Online via Google Meets

Greetings Debate Coaches,

On behalf of the Northern Lights District Committee, it is my pleasure to invite you and your team to the 2025 NSDA District Qualifier in Debate, held this year **Online** via Google Meets on Tuesday, December 9 and Wednesday, December 10. Please click the green "register" button on your Tabroom.com dashboard to register for the tournament.

Important tournament information is listed below. Please let me know if you have any questions.

1. Registration: We are using Tabroom.com as our online host for the NL District Tournament Series. Registration is now open. Remember that all entries must be submitted no later than December 2 at 8pm.

2. Chapter Dues/Membership Requirements: You will not be able to register on Tabroom.com unless your school has paid its annual chapter dues to the NSDA. Please take care of this promptly so that you have no difficulties in entering. In addition, all students must be on record as members of the NSDA seven days prior to the tournament. These two items are non-negotiable as they are dictated by the national office. Please let me know ASAP if you need help with this.

3. Judges: We ask that all teams please submit their entries as soon as possible so we can best plan for hired judges. Remember that all schools are required to furnish TWO judges for the duration of the tournament. ***THIS YEAR: Due to a small projected entry field, we kindly ask that teams provide CLEAN judges (i.e. can judge your students) when possible.**

Also, please include any notes about your judges when registering them (i.e. "only PF" or "can judge both PF and LD" or if there are any school conflicts other than your team). You can update this information by clicking on the "Judges" tab on your main account screen. Select the judge you want to edit, then scroll down to the "notes" box.

5. Tournament Format: LD will run four guaranteed preliminary rounds followed by a single-elimination bracket featuring entries with winning records. In LD elimination rounds, a coin flip is used to determine sides unless the pairing has previously met. Public Forum will run a Round-Robin (5 prelim rounds only). PF always flips for slides/position. Elimination round brackets will not be reseeded to avoid pairing entries from the same school.
