

# IMPROV DUO TOPIC

Instructions: Below is a single quote. With your partner, either on the same screen or a split screen, create a scene of two characters that delivers a plot of the quote. In KY, you have three minutes to prep, and you have a maximum of 6 minutes to speak with no time minimum. There is a 15 second grace period. You may use two chairs as props.

Rules: According to the KHSSL Handbook, excessive physicality, sexual innuendos, and/or being multiple characters is strictly forbidden and grounds for a score of last place. An introduction by one or both characters is required. Dialogue should be equally shared. Topics in quotations must be spoken in the scene.

“You don’t understand, this is the end of the world!”
