BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. This Act may be cited as the “Congressional Insider Trading Integrity Act.”

SECTION 2. (a) Congress finds that—

1. The American people have a right to expect that their elected representatives act in the public interest and not for personal financial gain;
2. Existing laws prohibiting insider trading do not adequately prevent Members of Congress from using non-public information for personal benefit; and
3. Strengthening financial transparency and oversight of Members of Congress will promote public trust and reduce conflicts of interest.

(b) The purpose of this Act is to—

1. Eliminate insider trading by Members of Congress;
2. Remove the financial incentives or pressures that may lead to insider trading; and
3. Ensure that Members of Congress are subject to the same securities regulations and penalties as all other citizens.

SECTION 3.

(a) Within 90 days of the enactment of this Act, all Members of Congress shall be required to place all personal investment assets into a qualified blind trust, to be managed by an independent trustee with no familial or financial relationship to the Member.

(b) No Member shall have direct or indirect control over the management, purchase, or sale of assets within such trust during their term of office.

SECTION 4.

(a) Notwithstanding any other provision of law, the annual salary for all Members of Congress shall be set at \$1,000,000.

(b) This adjustment shall take effect at the beginning of the next congressional term following enactment of this Act, in accordance with the Twenty-Seventh Amendment to the Constitution of the United States.

(c) The intent of this provision is to reduce the incentive for Members of Congress to engage in financial misconduct or self-enrichment through insider trading.

SECTION 5.

(a) Members of Congress shall be subject to all applicable securities laws and regulations enforced by the Securities and Exchange Commission (SEC).

(b) Any Member found to have engaged in insider trading or other prohibited financial activities shall—

9 achieve a state of altered consciousness or pleasure, or something similar, other than
10 for prescribed or medical reasons and uses.

12 substances to the Department of Health, but not in the aspect of drug trafficking. The

16 enforcement of current legislation allowing for recreational drug use to be
17 criminalized, instead focusing on illicit drug trafficking.
- 18 B. The Department of Justice will expunge the criminal records of previously
19 convicted recreational drug users and stop imposing penalties on those previously
20 convicted.
- 21 C. The Department of Health will reallocate previously used funds from the
22 Department of Justice to establish more harm prevention services, substance
23 abuse treatment centers, job training opportunities, housing opportunities, and
24 more for recovering drug users.
- 25 D. The Department of Health will monitor the statistics of the decriminalization on
26 public health and overall wellbeing such as overdose deaths, incarceration rates

28 statistics, and present the data found a year after the decriminalization occurs.
- 29 **SECTION 4.** This legislation will take effect on August 1, 2026. All laws in conflict with
