## A Resolution to Encourage the Curtailing of Excessive Absentee Voting

- 1    **WHEREAS**   Absentee voting was originally designed with a very limited scope to protect the right to  
2                   vote when intractable extenuating circumstances, in particular military service, made  
3                   physical presence at a polling place unduly challenging; and
- 4    **WHEREAS**   Absentee voting has since been abused in many jurisdictions to allow citizens to vote  
5                   absentee for less legitimate reasons or even without providing any reason whatsoever; and
- 6    **WHEREAS**   The sanctity of our elections is indisputably crucial for the ongoing viability of our republic,  
7                   and so we must do all we can to prevent opportunities for voter fraud as well as to  
8                   eliminate the space for conspiracies to fester around perceptions thereof; now, therefore  
9                   be it
- 10   **RESOLVED**  by the Congress here assembled that all States and Territories are encouraged to eliminate  
11                   no-excuse absentee voting; and be it
- 12   **FURTHER RESOLVED** that Congress encourages all States and Territories to be conscientious and  
13                   conservative in determining which situations truly justify absentee voting and to accept no  
14                   others.
