

I. Economics and Business – Domestic and International

- 1.1. Can the US break China's dominance over the critical minerals market?
- 1.2. Is AI a bubble about to burst?
- 1.3. Should the Pentagon have declared Anthropic a "supply chain risk?"
- 1.4. What is behind the trend of weak employment reports?
- 1.5. Is the US economy about to crash?
- 1.6. Should the US be regulating prediction markets?
- 1.7. How will the Paramount-Warner deal affect the entertainment industry?
- 1.8. How should the Federal Reserve respond to the combination of rising unemployment and rising oil prices?
- 1.9. Is the Trump administration erring by not using the Supreme Court's ruling as an "off-ramp" for its tariff policy?

II. Domestic Issues: Politics and Policies

- 2.1. What lessons should Democrats take from last week's primary elections?
- 2.2. What lessons should Republicans take from last week's primary elections?
- 2.3. Has MAGA lost its grip on the Republican Party?
- 2.4. Should the Senate confirm Markwayne Mullin as secretary of DHS?
- 2.5. Is JD Vance the Republicans' best bet for president in 2028?
- 2.6. Is Gavin Newsom the Democrats best bet for president in 2028?
- 2.7. Should Casey Means be confirmed as surgeon general?
- 2.8. Should Congress limit investors' purchases of single-family homes?
- 2.9. Is the Democrats' "shutdown" of DHS working?

III. Foreign Affairs: US Foreign Policy, Regional Politics, Internal Politics of Foreign Countries

- 3.1. Should the US be pursuing full regime change, not merely the ousting of Maduro, in Venezuela?
- 3.2. Should Congress have passed a war powers resolution limiting Trump's actions in Iran?
- 3.3. Should the US be seeking "unconditional surrender" of Iran?
- 3.4. Can Viktor Orban be beaten in Hungary?
- 3.5. Should President Trump have a voice in choosing Iran's new Supreme Leader?
- 3.6. Should the US be forcing regime change in Cuba?
- 3.7. Will the Iran conflict have an effect on the war in Ukraine?
- 3.8. Should the US be "unsanctioning" Russian oil?
- 3.9. Is US pressure on allies to strengthen their own defense spending weakening the US's own power?

IV. Constitutional, Courts, Law, and Legal Issues

- 4.1. How should the Supreme Court decide the "birthright citizenship" case?
- 4.2. Is it time to reform the president's pardon powers?
- 4.3. Should the Supreme Court uphold a ban on drug users owning guns in *US v. Heman*?
- 4.4. Do we need the SAVE America Act?
- 4.5. What immigration policy reforms can Congress realistically pass before the midterm elections?
- 4.6. Has the Constitutional theory of the "unitary executive" been taken too far?
- 4.7. Is there a solution to the problem of gerrymandering?
- 4.8. How can Congress solve Justice Gorsuch's "retrieval problem" – taking back power once delegated to the executive?
- 4.9. Should the Supreme Court use *Louisiana vs Callais* to strike down the "majority-minority" districts created by the Voting Rights Act?
