

ROUND 1 - A Bill to Mandate Green Self-Powered AI Data Centers

1 **BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED:**

2 **SECTION 1.** All AI data centers are henceforth forbidden from drawing from existing electricity grids
3 or even from being physically connected to them at all. Rather, AI data centers must
4 produce any electricity they require onsite through environmentally sustainable methods,
5 including but not limited to solar panels and wind turbines.

6 **SECTION 2.** For the purposes of this legislation, an AI data center is defined as a data center operating
7 with the primary purpose of housing, training, and/or delivering artificial intelligence
8 services.

9 **SECTION 3.** Any corporation operating an AI data center in violation of this legislation shall be fined
10 \$1 million and have all relevant operational licensing immediately revoked until such time
11 as compliance is reached.

12 **SECTION 4.** This legislation shall be overseen by the Department of Energy, which agency shall be
13 specifically tasked with determining which energy sources are acceptable for AI data
14 centers.

15 **SECTION 5.** This legislation shall take effect at the start of the next fiscal year.

16 **SECTION 6.** All laws in conflict with this legislation are hereby declared null and void.

ROUND 2 - A Bill to Rebuild and Re-Fund USAID

1 **BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED:**

2 **SECTION 1.** The United States Agency for International Development (USAID) shall immediately
3 resume normal business, with all responsibilities and functions from before its recent
4 closure restored entirely. Congress shall also resume full funding for USAID, with a 25%
5 increased budget for the next 365 days to help the agency repair damage done by its
6 closure.

7 **SECTION 2.** The President shall henceforth require Congressional approval prior to cutting funding to
8 USAID.

9 **SECTION 3.** This legislation shall be overseen by the Government Accountability Office (GAO).

10 **SECTION 4.** This legislation shall take effect immediately upon passage.

11 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void

ROUND 3 - A Bill to Ban Humanoid Robots

1 **BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED:**

2 **SECTION 1.** All robots manufactured, sold, or utilized in the United States and its territories must be
3 distinctly non-human in appearance.

4 **SECTION 2.** Any humanoid robots found within the United States and its territories will be
5 immediately impounded and destroyed by the Department of Homeland Security (DHS).
6 States and territories are directed to determine additional criminal penalties in such
7 situations.

8 **SECTION 3.** This legislation shall be overseen by DHS, with the National Commission on Robotics
9 serving in an advisory capacity, especially concerning determinations as to what
10 constitutes humanoid.

11 **SECTION 4.** This legislation shall take effect immediately upon passage.

12 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.
