

The 2026 Roundup at Ridgevue Invitational

Welcome to the 2026 Roundup at Ridgevue Invitational. We are excited and honored to host you on our campus on Friday and Saturday, November 13 and 14.

On Friday, we will hold 3 rounds of speech in all 14 IHSA speech events. On Saturday, we will run 4 rounds of Debate and 1 elimination round (gold/silver). Students may double-enter in speech, but not in two draw events (Radio, Retold, and Extemp) or Panel. In speech, there will be no finals, as it is so early in the season, but awards will be presented to the top 6 students in each event and the top Novice competitor in each speech event. In debate, we will hold elimination rounds as indicated on the schedule, with the winner of the final round getting the Gold and the runner-up the Silver.

On Friday, please have school buses drop off students in the north parking lot on Linden Road. We get out of school at 3:35 pm, so it will be busy for about half an hour in the area around the school. Judges should also park here and enter the school on the south side, and we will be upstairs in the Library for the tournament. Please look for our host students who will direct you to the check-in location for judges and schools.

We will offer concessions to students. There are no food options near our campus, so we hope your students will take advantage of our offerings or make sure they bring their own! For judges and coaches, we will feed you Friday dinner, have a light breakfast offering on Saturday, and lunch on Saturday as well. We will also have snacks and beverages available throughout each day in the judge's lounge.

If you have any questions, please contact tournament host Jeff Stoppenhagen at Jeffrey.stoppenhagen@vallivue.org or at cell 208-887-7939 or tournament manager Jennifer Boram at jennifermborman@gmail.com. The students, team, coaches, and administration of RHS look forward to welcoming you to Ridgevue High!

Best regards,

Jeff Stoppenhagen, Program Director
Allee Platz, Assistant Director
